

PUBLIC COMMUNITY MEETING

The Parish Council is hosting a public community meeting to bring residents together to help shape a strong and informed objection to the proposed application for an additional 180 houses at Crossings, Chapel-en-le-Frith.

This is not a council meeting – it is a community-led discussion and planning session. The council and many residents have serious concerns about this development, particularly around;

- Environmental damage
- Loss of green belt land
- Increased traffic and congestion
- Flood risk
- Overdevelopment in an area with already limited facilities

We are inviting anyone who has expertise, experience, local knowledge, or simply a strong interest to come along and contribute. We would especially welcome people with knowledge in:

- Planning
- Traffic management
- Flood management
- Environment or biodiversity

Meeting Details:

Location: Chapel-en-le-Frith Town Hall

Date: Thursday 11th December

Time: 8:00pm start

This is a vital opportunity for the community to come together, share concerns, and help build a clear, well-evidenced objection. Your voice, skills, and passion can make a real difference.
